Something monstrous has been found in the magic world of Wonderland and it wants to get out. Lewis Carroll created a curious and fantastical world in his classic book Alice in Wonderland, but he secretly recorded the true story of his actual travels to Wonderland in four journals which have been lost to the world...until now. Celia and Tyrus discover the legendary Lost Diaries of Wonderland and fall into a portal that pulls them into the same fantasy world as the White Rabbit and the Mad Hatter. However, Wonderland has vastly changed. A darkness has settled over the land, and some creatures and characters that Tyrus remembers from the book have been transformed into angry monsters. Celia and Tyrus make their way through this unpredictable and dangerous land, helped by familiar friends including the Cheshire Cat and a new character, Sylvan, a young rabbit. Together, they desperately work to solve puzzles and riddles, looking for a way out of Wonderland. But the danger increases when the Queen of Hearts begins hunting them. Believing the two young visitors hold the key to opening multiple portals to multiple worlds, she will stop at nothing to capture them. It's up to Celia and Tyrus to save Wonderland and the real world. It's a race against time before they are trapped in Wonderland forever.

The concluding volume of this bestselling series takes readers on a final epic quest to find the source behind how dragons are able to gain supremacy over humans by controlling the minds of adults.

The Halloween plans of monster enthusiasts Nick, Carter and Angelo are thrown into turmoil when a magical amulet acquired from Nick's voodoo queen aunt turns Nick into a zombie and prompts an uproarious effort to break the curse. By the author of the Far World series. 35,000 first printing.

Trenton Colman is a creative thirteen-year-old boy with a knack for all things mechanical. But his talents are viewed with suspicion in Cove, a steam-powered city built inside a mountain. In Cove, creativity is a crime and invention is a curse word. Kallista Babbage is a repair technician and daughter of the notorious Leo Babbage, whose father died in an explosion an event the leaders of Cove point to as an example of the danger of creativity. Working together, Trenton and Kallista learn that Leo Babbage was developing a secret project before he perished. Following clues he left behind, they begin to assemble a strange machine that is unlikely anything they've ever seen before. They soon discover that what they are building may threaten every truth their city is founded on and quite possibly their very lives. "

When fifth-graders Nate, Summer, Trevor, and Pigeon meet the new candy store owner Mrs. White, she gives them magical candy that endows them with super powers, but soon they find that along with these benefits are dangerous consequences.
