~~The British Army used a variety of standardized battle uniforms and weapons during World War I. According to the British official historian Brigadier James E. Edmonds recorded in 1925, "The British Army of 1914, was the best trained best equipped and best organized British Army ever sent to war". They were the only army to wear any form of a camouflage uniform; the value of Drab clothing was quickly recognised by the British Army, who introduced Khaki drill for Indian and colonial warfare from t~~

Italian Gear Weapons and Uniforms of WW2

The standard weapons varied somewhat during Rome's long history, but the equipment and its use were never individual. Personal weapons of a roman legionary Pugio. Reconstruction of a pugio: a Roman soldier from a northern province. A pugio was a dagger used by Roman soldiers, likely as a sidearm. Like other items of legionary equipment, the ...

Designed to be the standard reference on Axis soldiers in World War II Covers troops from Germany, Italy, and Japan Original photos from museums and private collections as well as specially taken color photos of uniforms and equipment This first volume of Fighting Men of World War II offers a comprehensive, full-color look at the clothing (such as boots, pants, helmet, tunic, greatcoat, camouflage, and badges), equipment, weapons, vehicles, and rations of Axis soldiers. Also included are popular items, such as lighters, that were carried by many troops but were not standard issue. The accompanying text describes the items and also compares them to those of other armies. The result is a complete picture of the daily life and conditions of the fighting men of all countries. It is an essential reference work for all military historians, collectors, and general readers. A second volume covering the Allies will be published in Fall 2008.

Uniforms, Equipment and Weapons of the American Expeditionary Forces in World War I is a detailed look at the uniforms, equipment, weapons, personal items, insignia, and specialist equipment of the American Army during the Great War. This comprehensive study uses over 100 original black and white photographs of American soldiers, many of which are previously unpublished. The book also shows over 700 full color photographs of original items as well as recreated scenes that bring many of these items to life. Finally, one book that covers all of the nuances of the American Doughboy during the Great War, from common uniforms and equipment, to the rare experimental and private purchased items. This is an indispensable work for any First World War collector, living historian, modeller and enthusiast.
