God Shines Most in Our Messiness | Desiring God

With God, it's not, "Do whatever, I've got your back." ... Jesus said, "You are the light of the world!" (See Matthew 5:14). Again, in context, He was speaking to the Jews, but on this side of the Cross, Christ lives in you and reflects Himself through you! So it's our honor to shine! Shine, shine, shine baby! Darkness has no ...

Does Jesus' Light Shine Through You?

The Word of God tells us that we are the light that Christ has set in this dark world. We are given the noble task of shining bright so that God could be seen, heard, felt, and be praised and glorified even by those who do not know Him. Truly, it is an honour to be chosen by God to represent Him in ...

3 ways to shine the light of Christ to the people around us

Here are the two ways we can see God: 1. We use the word "see" to mean that we finally understand and discern the beauty and glory of God after being blind to it. Like when we say: Oh, now I see. Our soul is tuned in to the glory so that the glory of God that shines through the gospel is seen as glorious, and we are no longer spiritually blind to it. That is the first way we see him.

The world's major religious texts use light as a symbol of wisdom, encouraging readers to develop closer relationships with God to light their spiritual paths through the darkness of a fallen, sinful world. Just as light reflects off mirrors to help people see themselves, faithful people can engage in spiritual reflection to see the state of their souls, motivating them to seek more spiritual wisdom.

willing to enter our hearts. He will begin to shine his everlasting light of love, hope and grace throughout our future discipleship in His word.

Clair Cloninger introduces the Kaleidoscope Principle--the life-changing reality that God is in the business of shining through the seemingly insignificant pieces of life and using them to form patterns that are pleasing to Him.

Everyone has heard of Augustine of Hippo, the greatest of the Church Fathers of the Western Christian world; but not so many are acquainted with his writings. This volume presents a simple and straight-forward translation in contemporary English of parts of Augustine's famous series of sermons on St. John's Gospel. The imaginative reader will find himself transported to the Church of Hippo in the fifth century, with its varied sights and sounds. This is not quite the way in which anyone would preach today. This is part of the value of the book, which is not as simple as it looks. The reader has to keep in mind all the time three things—the original words of the Gospel according to St. John; the message that Augustine is trying to convey to his wayward flock at Hippo; the message that God may want to give us today through Augustine's understanding of the words of John.

Sara saw things differently. Two weeks before her due date, Sara lost a healthy baby girl. Four weeks later, doctors discovered Stage IV colon cancer. A week after this terminal diagnosis, Sara set up a profile on Caring Bridge and began telling her story of the "most wonderful terrible thing" that had ever happened to her. Sara's transparency about the experience of the physical and emotional turmoil of her illness serves as a brilliant example of a woman firmly convinced that God holds victory over death. In *The Light Shines Through*, you can walk with Sara and learn from the amazing love and peace that defined her difficult but beautiful last year and a half of her life on earth. Through her humble perspective and unabashed passion, Sara offers compelling lessons on how to live in the present, teaching others to see God's presence and abundant love every moment—even those that are deeply painful.

Saying Yes to God is written to help maturing Christians better recognize the voice of God and the leading of the Holy Spirit. The book is a practical resource for those looking for fresh insight to break through barriers and personal limitations in their relationship with God. In effect, this book offers hope to all those who earnestly want to know God better and to live Christ-centered, Spirit-led lives. Readers will not feel judged or shamed, but will hear a gentle but firm and persistent call to believe that God truly is at work in their lives, calling and leading them. Not only can they learn to recognize the Spirit's voice better, but they can learn how to work with God in tremendously satisfying and fruitful ways. This book's particular contribution lies in its simple presentation of important spiritual concepts, use of illustrations drawn from the

• For Bible study groups, preaching, retreats • For new and not-so-new Christians seeking to connect Scripture with their personal lives today The treasure trove of stories from Scripture provides wonderful examples of people encountering the mystery of God. We read these stories over and over, and know how they turn out year after year. The one perspective we might miss, however, is that the characters in Scripture never knew how their story would turn out when they were living the unknown, fear, joy, surprise, and drama of the moment. They faced the same uncertainty, worry, distraction, and wonder that we face in light of life events that leave us breathless for hope and help. We often fail to grasp how divine participation in the human story is actually what God's story is all about. Our stories are God's story. Personal narratives, then and now, seem to be the ways in which God works best as Scripture is transformed from static story to a conversation that informs our own modern dilemmas and uncertainties. Today's reader can engage with ancient and familiar tales through the lens of pondering where God might be at work in our own lives as well. As today's Church is in an unsettling transition, today's spiritual seekers and those who have grown disenfranchised from or disillusioned with traditional spiritual approaches will find a fresh perspective that opens their own story to the overwhelming constancy of God's grace and love.

thought that animals are only here on earth for our enjoyment in this life but when they die, that is it for them, and they are gone forever? This haunted me for decades until I finally got up enough courage to seek out the truth for myself. I went to the word of God to conduct my own research. This book is the result of my quest to find the truth about how God really sees animals and His plan for them. I was astounded by the wealth of information that God shares in the Holy Bible regarding animals. The answers are there, hidden in His word. All anyone needs to do is look.

The Sun Still Shines, Living with Chronic Illness, (spirituality), by Janice Tucker, is a gripping, practical and moving book.
