White Superlock Serger Electronic 2000 | eBay

The White ATS 2000 is my first serger, and I like its simplicity and straightforwardness. It's relatively easy to thread (easier, for example, to rethread than to tie on) and has a handy foldout door...

White 2000 ATS Serger review by Lisa J.

My serger is a White Superlock 2000, that I purchased new in March 1997 for \$700 CAD. It uses up to four spools of thread, has a differential feed, a scrap catcher tray and a built in thread cutter. Sergers are even more finicky to thread than sewing machines. Not only must they be threaded correctly, they have to be threaded in this exact order:

White 1934D Serger review by Auntie Ame

White sergers are great machines for most sewing applications, and when properly maintained will provide years of trouble free serging. Most problems with a serger can be fixed with a few simple adjustments to either the needle or the serger tension dials. When stitches start to pucker or break, troubleshoot your ...

White Superlock 534 Serger: This sewing machine is capable of doing a rolled hem. Plus, its reputation as a workhorse lets everyone know that it will do their sewing tasks for years to come. It must be a good sewing machine as it comes with a 40-page owner's manual. To learn about the White Superlock 534 Serger, just continue to read our article.

For those who have mastered the basics and want a challenge, Serger Secrets provides instructions for adding more than 50 techniques to the sewers arsenal. Complete with troubleshooting tips and dozens of inspiring photographs of completed garments, Serger Secrets is guaranteed to bring out the creativity in any designer.

Introduces the features and accessories of overlock sewing machines, and shows how to baste and sew seams, adjust stitches, and make clothing

This reference revolutionizes serger sewing with creative approaches, by combining decorative threads with contemporary construction methods. The guidelines are clear and innovative.

"There's nothing better than an author who's made all the mistakes herself, has taught hundreds of others, and writes with humor. Chris James fills the bill. This beautiful book talks about knits, rolled hems, and flatlocking. At the end is a trouble-shooting guide....The close-up color photos make her text even more understandable....highly recommended."—The Creative Machine. "The most comprehensive reference on serging to date."—Craft & Needlework Age.

Ideal for both beginners and advanced sewers, this book includes templates of sewing tables and cabinets, floor plans, and organizing tools.

Pucker or Puckering is the most used (abused?) term in the garment manufacturing industry. Pick up any quality controllers report, and the first thing that will strike your eye will be "...Puckering in armhole, ...Puckering in neckline binding, ...control Puckering in bottom hem..." the list is endless. Buying office quality controllers are as enamoured of this term as much as manufacturers abhor it. What is it that makes it so distasteful? Why does it occur? How can it be controlled? While there are numerous leaflets, documents and articles available on pucker, we have found that the majority of them lay great

stress on "inherent pucker" (only material parameters). In this booklet have tried to include process parameters as well as sewing of lightweight fabrics. All said and done, the problem is so intricately interdependent that exhaustive compilation is well nigh impossible. We are sure this booklet will help manufacturers to understand the rationale behind this publication and we will consider our effort successful if enthusiastic readers regularly inform us about newer methods to tackle the problem.

Author and artist Kamo is back with her ever-popular doodles! Cute, funny and simple drawings—alongside step-by-step instructions—are sure to inspire readers of all ages to sit down and start doodling. Begin with a line or squiggle, and then turn it into a face, animal or anything else that your imagination conjures up. The point is just to draw—anytime, anywhere, anything—and, most of all, to have fun while you are doing it! With more than 1000 examples, *How to Draw Anything Anytime* includes: People of all ages Animals from sea otters to giraffes and sloths to turtles Food and drinks including coffee, popcorn, sushi and lots of other appetizing treats Transportation, whether traveling by submarine, UFO or bus Astrological signs and zodiac animals Japanese and latin alphabet lettering Clever borders for decorating edges The adorable images throughout the book provide inspiration. Whether doodling digitally or on paper, use your drawings to decorate bookmarks, office supplies, bags, cards, invitations, notebooks, mobiles, window hangings and more. Sample cartoon strips show you how to incorporate your doodles into a bigger project. Fans of Kamo's other doodle books love her instantly recognizable style. Unlike serious art books, there are no rules to follow and no classes to take. All that's needed is a free hand and a free spirit—follow your lines and see where they take you.

Take the Mystery Out of Your Serger Explore the creative options with Georgie Melot's tried-and-true methods. Learn the ins, outs, overs and unders of your serger! *Ready, Set, Serge* is a fun, informative book that rewards you with success every time. Georgie's encouraging, learn-by-doing approach guides you through the basics so you'll be creating simple but attractive projects in no time. Gift bags, book covers, pot holders, bath mitts and other attractive pieces can be made from fabric scraps and fat quarters, or from ready-made items such as bath towels. In *Ready, Set, Serge* you'll find:

- A thorough tour of the serger, from how to thread the needles and loopers to identifying specialty feet
- A guide to serger stitches and what each is used for
- 16 projects in both "basic" and "stepped-up" versions so you can learn general skills, then add more advanced techniques
- Clear steps accompanied by photos, project templates and diagrams
- Friendly expert advice from a professional serger and instructor

Once you see how easy it is, you may find it hard to stop. Are you ready? If so, then get set to serge!
