ECPA 2020 Christian Book Award Finalist! Written by Rachael Denhollander, Recipient of Sports Illustrated ’ s Inspiration of the Year Award and one of Time ’ s 100 Most Influential People (2018). “ Who is going to tell these little girls that what was done to them matters? That they are seen and valued, that they are not alone and they are not unprotected? ” Rachael Denhollander ’ s voice was heard around the world when she spoke out to end the most shocking US gymnastics scandal in history. The first victim to publicly accuse Larry Nassar, the former USA Gymnastics team doctor who sexually abused hundreds of young athletes, Rachael now reveals her full story for the first time. How did Nassar get away with it for so long? How did Rachael and the other survivors finally stop him and bring him to justice? And how can we protect the vulnerable in our own families, churches, and communities? What Is a Girl Worth? is the inspiring true story of Rachael ’ s journey from an idealistic young gymnast to a strong and determined woman who found the courage to raise her voice against evil, even when she thought the world might not listen. This deeply personal and compelling narrative shines a spotlight on the physical and emotional impact of abuse, why so many survivors are reluctant to speak out, what it means to be believed, the extraordinary power of faith and forgiveness, and how we can learn to do what ’ s right in the moments that matter most. This inspirational, empowering book is written by attorney, advocate, educator, and author Rachael Denhollander.

Cutting across class, race, religion, and gender, *A Woman's Worth* speaks powerfully and persuasively to a generation in need of healing, and in search of harmony. With *A Woman's Worth*, Marianne Williamson turns her charismatic voice—and the same empowering, spiritually enlightening wisdom that energized her landmark work, *A Return to Love*—to exploring the crucial role of women in the world today. Drawing deeply and candidly on her own experiences, the author illuminates her thought-provoking positions on such issues as beauty and age, relationships and sex, children and careers, and the reassurance and reassertion of the feminine in a patriarchal society.

The author draws upon her own experiences to examine what it means to be a woman today, exploring such facets of womanhood as family, work, sex, love, and power and looking at women's spiritual and emotional life

Though the author stresses woman's domesticity and believes that her chief duty lies at home, she discusses the importance of education for women and encourages them to pursue certain areas of work.

The victim of a rare cosmetic condition that saw her wrongly registered and brought up as a boy, Lady Colin Campbell knows what it is to suffer, survive and ultimately succeed in life. Brought up in an aristocratic family in Jamaica, she enjoyed privileges, but her teenage years were blighted, leaving her unable to receive essential medical treatment until the age of twenty-one. She then became a model, a designer and married Lord Colin Campbell in the 1970s in a short and violent marriage. A true assortment of riches, this is her own candid, poignant and remarkable story.

A sweeping historical novel set against the backdrop of England's Wars of the Roses chronicles the real-life love story of Isobel Ingoldesthorpe, a teenage ward in Queen Marguerite's Lancastrian court, and the Yorkist Sir John Neville. Original.
