Teaching students to write for impact sets them up for success across many curriculum areas. Tom Nicholson and Sue Dymock analysed research on teaching writing to identify the skills students need to write for impact. Their approach is based on a simple view of writing: it is ideas presented well. The two volumes of this book work together to explain and show teachers how to teach students these essential writing skills.

A creative writing club can also be an important accountability tool for students who are working on independent creative writing projects. If you're writing a longer piece or even a novel, or working on a collection of poetry, meeting regularly with like-minded writers can help to keep you on track and provide outside feedback that might otherwise be unavailable.
