This densely illustrated, hands-on guide to diesel engine maintenance, troubleshooting, and repair renders its subject more user-friendly than ever before. Finally, boatowners who grew up with gas engines can set aside their fears about tinkering with diesels, which are safer and increasingly more prevalent. As in other volumes in the International Marine Sailboat Library, every step of every procedure is illustrated, so that users can work from the illustrations alone. The troubleshooting charts in the second chapter--probably the most comprehensive ever published--are followed by system-specific chapters, allowing readers to quickly diagnose problems, then turn to the chapter with solutions. Diesel engine systems covered include: mechanical; oil; fresh- and raw-water cooling; low- and high-pressure fuel; exhaust; starting; charging; transmission and stern gear.

Makes a wonderful daily lined notebook / notes to draw, write, journal, take notes, make lists, and much more creativity!This is a simple and durable all-purpose daily lineeed notebook / notes. 2nd Edition Valhalla: Book One Violet MacRae is one of the aimless millions crowding northern Scotland. In the year 2330, where war is obsolete and only brilliant minds are valued, she emerges into adulthood with more brawn than brains and a propensity for violence. People dismiss her as a relic, but world peace is more fragile than they know. In Valhalla, a clandestine base hidden in an icy ravine, Violet connects with a group of outcasts just like her. There, she learns the skills she needs to keep the world safe from genetically enhanced criminals and traitors who threaten the first friends she's ever known. She also meets Wulfgar Kray, a genius gang leader who knows her better than she knows herself and who would conquer the world to capture her. Branded from childhood as a useless barbarian, Violet is about to learn the world needs her exactly as she is. 1st Edition published by Ari Bach: August 2010, March 2012.

A collection of stories about miracles from the magazine True story.
