I can honestly say that I still teach every class with the same passion, humour, lightness (and yes, sometimes left and right-side mistakes!) that I did in my very first class. Yoga is a great practice for body, mind and soul and I love discovering and sharing techniques in continuing this beautiful journey.

From a rebellious young woman with a dangerous heroin habit to a globe-trotting fashion model to “ First Lady of Yoga ” (The New York Times), Colleen Saidman Yee tells the remarkable story of how she found herself through the healing power of yoga—and then inspired others to do the same. I've learned how to extract the beauty of an ordinary day. I've learned that the best high exists in the joy—or the sadness—of the present moment. Yoga allows me to surf the ripples and sit with the mud, while catching glimpses of the clarity of my home at the bottom of the lake: my true self. The very first time Saidman Yee took a yoga class, she left feeling inexplicably different—something inside had shifted. She felt alive—so alive that yoga became the center of her life, helping her come to terms with her insecurities and find her true identity and voice. From learning to cope with a frightening seizure disorder to navigating marriages and divorces to becoming a mother, finding the right life partner, and grieving a beloved parent, Saidman Yee has been through it all—and has found that yoga holds the answers to life's greatest challenges. Approachable, sympathetic, funny, and candid, Saidman Yee shares personal anecdotes along with her compassionate insights and practical instructions for applying yoga to everyday issues and anxieties. Specific yoga sequences accompany each chapter and address everything from hormonal mood swings to detoxing, depression, stress, and increased confidence and energy. Step-by-step instructions and photographs demonstrate her signature flow of poses so you can

follow them effortlessly. Yoga for Life offers techniques to bring awareness to every part of your physical and spiritual being, allowing you to feel truly alive and to embody the peace of the present moment.

B.K.S. Iyengar--hailed as "the Michelangelo of yoga" (BBC) and considered by many to be one of the most important yoga masters--has spent much of his life introducing the modern world to the ancient practice of yoga. Yoga's popularity is soaring, but its widespread acceptance as an exercise for physical fitness and the recognition of its health benefits have not been matched by an understanding of the emotional, intellectual, and spiritual development that the yogic tradition can also offer. In *Light on Life*, B.K.S. Iyengar brings readers this new and more complete understanding of the yogic journey. Here Iyengar explores the yogic goal to integrate the different parts of the self (body, emotions, mind, and soul), the role that the yoga postures and breathing techniques play in our search for wholeness, the external and internal obstacles that keep us from progressing along the path, and how yoga can transform our lives and help us to live in harmony with the world around us. For the first time, Iyengar uses stories from his own life, humor, and examples from modern culture to illustrate the profound gifts that yoga offers. Written with the depth of this sage's great wisdom, *Light on Life* is the culmination of a master's spiritual genius, a treasured companion to his seminal *Light on Yoga*.

In this uplifting guide packed with health tips, dietary recommendations, and inspirational affirmations, Dashama introduces her own brand of yoga for self-transformation. The book introduces Pranashama Yoga, developed by Dashama as a combination of arts that works with the physical and spiritual energy of the body. Pranashama Yoga draws on various styles of yoga (Vinyasa, Ashtanga, Kundalini, Anusara, and Power), martial arts (Tai Chi, Qigong), and Thai yoga therapy. Dashama includes clear explanations of the yoga philosophy underlying her program and shares her own journey to her present success as a leading yoga teacher. Tackling the problem of addiction and its impact on family and individual happiness, Dashama presents alternative visions of healing and mental peace through the time-tested, drug-free path of yoga. She concludes the book with useful exercises to help students on their own journeys to joyful living: self-assessment writing assignments, quizzes, and a four-stage diet and weight-loss program that incorporates yogic breathing and positive-thinking exercises. Illustrated throughout with black and white photographs, *Journey to Joyful* is designed for readers interested in yoga, natural food, weight loss, and positive thinking. From the Trade Paperback edition.

A leading yoga instructor demonstrates how practitioners can apply yogic principles to all aspects of daily living for improved mental and physical health, in a guide that features personal stories and explains how yoga can integrate different parts of the self and assist the progression of a spiritual path. Reprint.

"Heartfelt personal anecdotes, easy to understand explanations of yoga philosophy, and enlivening exercises help readers to access the "expansive openness of love within" and eliminate addiction, tame stress, enhance their well-being and sensuality, and realize their true goals in life"--Provided by publisher.

New York Times bestselling author of *Perfectly Imperfect* Whether you are looking to lose weight, trying to increase your strength and stamina, hoping to sharpen your mental edge, or seeking to go deeper within, Baron Baptiste can take you there. Baptiste Power Yoga isn't just the ultimate workout, it's the ultimate life transformation program. Whether you are looking to lose weight, trying to increase your strength and stamina, hoping to sharpen your mental edge, or seeking to go deeper within, Baron Baptiste can take you there. Baptiste Power Yoga isn't just the ultimate workout, it's the ultimate life transformation program. In this unique and inspiring book, one of the world's most dynamic and sought-after master yoga teachers brings us the same revolutionary program for body, mind, and spirit that has changed the bodies and lives of Hollywood celebrities, all-star athletes, and millions of people just like you. In his refreshing and iconoclastic style, Baron Baptiste shows us that the key to true power is not to chase an ideal version of ourselves but to reveal the perfect self already within. Here are just some of the benefits you can expect from using this book: • Strong, lean muscles and a shedding of unwanted pounds • Laserlike mental clarity and focus • An easy release of the beliefs and habits that hold you back • An inner oasis of calm and composure • Inspiration to live authentically every day of your life Baptiste Power Yoga is the ultimate commitment that yields the ultimate transformation, as Baron's millions of students have discovered. It heals, detoxifies, and electrifies body and mind at their deepest levels. You will find your true strength, your real self, and a new way to live that is both authentic and joyful!

This book contains 82 questions and answers on the inner life, talks on reincarnation and the soul's evolution, sin, science, individuality, morality, inner peace, God's plan, and the universality of religion.

Women battling infertility is a familiar though still harrowing story these days. Women using yoga to reduce stress and become more aware of its body and its rhythms is another. So it comes as no surprise that yoga is helping women to cope with the physical and emotional stress of infertility and its treatments.

Suzan Colon, yoga teacher and former senior editor at *O, The Oprah Magazine*, digs deep into the spiritual philosophy behind yoga and distills thirty essential components to enrich your practice and revolutionize your life from the inside out. We live in an increasingly stressful world, and we know about the hazardous effects stress can have on our health. But meditating and mindfulness can sometimes seem elusive, unattainable, and impossible to fit into our busy days. Even the word "yoga" usually makes many people think of complicated, twisty poses—but that's not everything. In its complete sense, yoga is a collection of life lessons for wellness and well-being and a spiritual technology from ancient times that is now more relevant, and necessary, than ever. In *Yoga Mind*, Suzan Colon shares thirty essential components to increase self-awareness and inner balance to use throughout your day—in traffic, on the train, at your job, and home. She outlines how we can use yoga to cultivate resilience in challenging times, reduce stress, and enrich our relationships with family, work, and ourselves. This guide contains a 30-day program designed to create subtle yet powerful shifts in awareness and attitude that lead to real, lasting change. Whether you're a hardcore yogi or a beginner to the practice, *Yoga Mind* can help you unite your body, mind, and heart to become your best self and cultivate lasting happiness in your life.

Stephen Cope asked 25 yoga and meditation teachers to share their "tales from the path" – their thoughts on how the long-term practice of yoga and meditation has changed their lives. The result is a unique collection of stories offering insight and inspiration for everyone seeking a more satisfying life.
