Zoë Foster Blake (nee Zoë Foster) is the kind of person who will nick fries right off your plate. She has worked in journalism for over 15 years, for titles like Harper's BAZAAR and Cosmopolitan, both roles in which she was able to magically get words from inside her keyboard onto paper, and also online, starting a beauty blog called fruitybeauty back in 2006 when people thought a 'blogger' was something you used to unblock your bathroom drain, and founding and launching beauty ...

Posted by zoe foster blake / Beauty, Skin. You might be. I definitely have some friends who are thrashing their AHAs and retinol products, and need to pump the brakes.

Otherwise they risk over-exfoliating their skin and ending up with thin, shiny texture, not to mention potential redness,
